Just in Time 3-Hour HR Advisory Service

When you need advice from a trusted HR Consultant

Do you need confirmation that your HR processes are in compliance?

Is there a critical HR issue you need to discuss?

Are you struggling with how to safely re-open your business post shelter-in-place?

Managing the many aspects of the HR function can be challenging - especially if you're also trying to run the business or are new to HR.

In small and medium sized companies, the person managing the HR function is often flying solo, with no one to consult about an issue or the details of a new compliance requirement.

Now there's a solution!

Connect to HR's Just in Time 3-Hour HR Advisory Service

Our Just in Time Guide allows you to access up to 3 hours of Human Resources consulting support and guidance by phone, email or in person.

It's designed for small to medium sized companies:

- Owners/CEOs/Nonprofit Leaders
- Those running the HR function
- People new to HR operations
